When all the Hobli School masters within a radius of 15 miles from the Kolar Gold Fields are drawing an allce of 3 Rs on account of dearness of provns under a general order of Govt passed on the subject, it seems hard that the schoolmaster now in question should be kept out of it up to the commencement of the next official year — 15/12/03

The Comptroller who was requested to suggest some source in the Budget from which the local allowance of Rs 3 recommended may be met, states that the I Gpl of Bds may be asked to forward a Reappropriation Statement in the proper form according to para 3 of Fin 1938-80 dt 18/5/03.

It is hard if it would be queer if an allce due to a poor schoolmaster under a general order cannot be paid as there is no budget provn. May it be ordered to be debited to "Unforeseen Charges" or the Insp. Genl. asked to find out some other source?
